

origo wall

assembly and mounting instructions

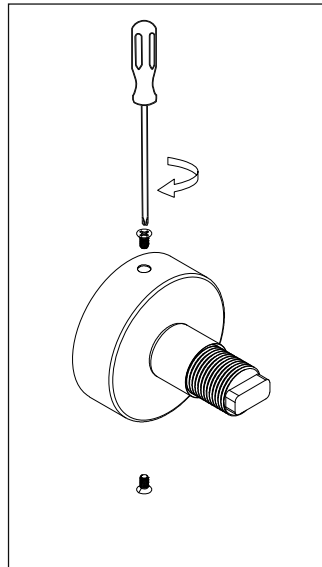

davidpompa

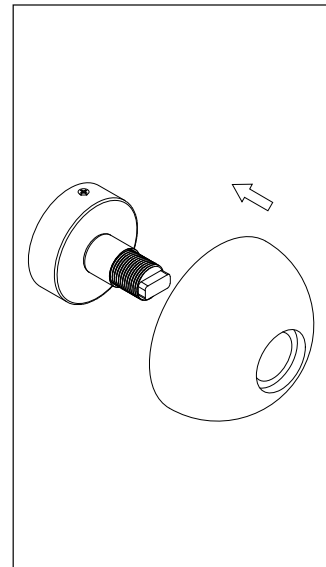

- 1 Disconnect the power by turning off the circuit breaker, or by removing the fuse in the fuse box before assembling and mounting the canopy.
Fix the mounting plate to the ceiling with dowels and screws.

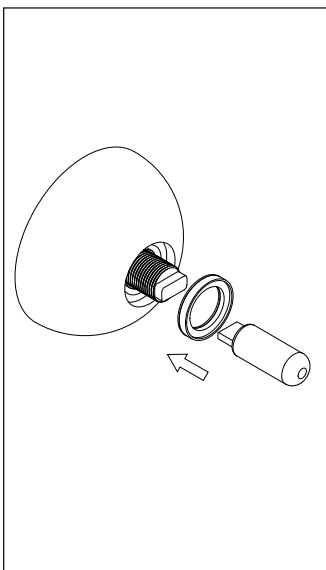

- 2 Connect the cables to the terminal block.

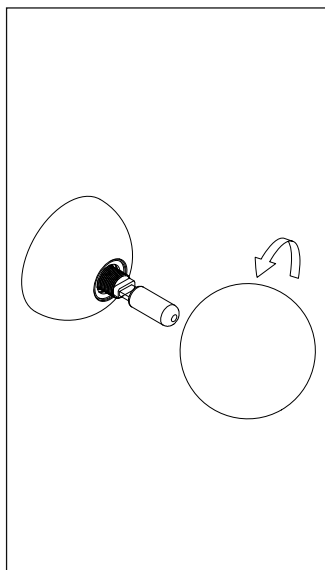

- 3 Fix the wall rose with the screws on the mounting plate.

- 4 Put the volcanic stone on the top of the wall rose.

- 5 Insert the disc with the rubber and then insert the G9 bulb.
Warning: Use only LED

- 6 Screw the glass sphere onto the socket. Take care to screw the glass sphere gently.

product care

Glass

For opal frosted glass, dust gently with a duster or soft rag. Do not scrub frosted glass.

Recinto

Use a feather duster, a clean cloth, or vacuum with a clean brush attachment, do not wipe wet.

safety instruction

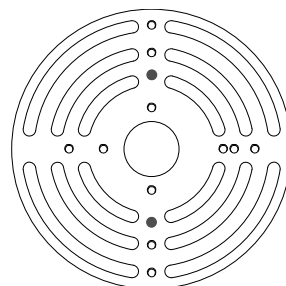

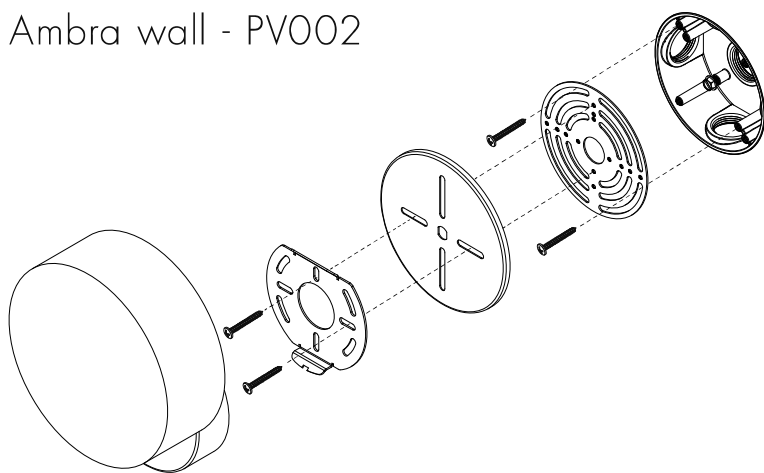

Lamp suitable only for indoor use.

The electrical connections must be carried out by specialized personnel. If this electrical wire or cord is damaged, it should be replaced exclusively by the manufacturer, its technical team or someone with an equivalent qualification in order to avoid any risk. The manufacturer is not responsible for improper use of the product.
