SOFT STRIP SNAP & LIGHT ACCESSORIES

REV01.14.15

Cut in middle of joining contacts

Scrape protective coating from contacts

Place the Strip end under the plastic guide and push under the snap contacts.

Close the cover

Snap the cover to secure in place
Snap & Light Accessories

Snap & Light Accessories provide easy connection of white or RGB Soft Strip sections. The do-it-yourself accessories — without limitations— allow cutting and rejoining of Soft Strip at any point. The accessories attach to the end of Soft Strip, secure the Strip and snap shut to lock it into place.
