

MP-ME-9 6-SN

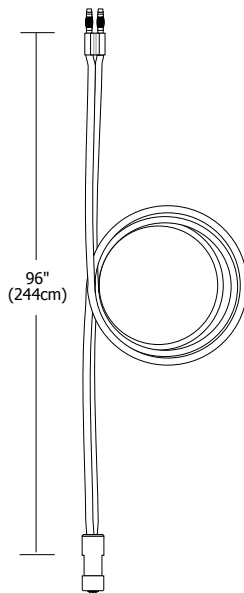

Adjustable Power Feed

The Adjustable Power Feed plugs into the side of standard Monorail Surface Mount Transformers and provides power to the Monorail from any location within range of the 96" field-cutable cable. The 12 volt 600 watt, dual feed Monorail surface mount transformer, MT-600-D12- model requires two Monorail adjustable power feeds, one for each feed contact. Satin nickel, polished nickel or antique bronze finish.

Weight:

1.7 lb (0.77kg)
