

# Care Instructions

# Ella Lounge Chair

Ella Lounge Chair – designed by Matthew Hilton

To prolong the life of the product and retain its appearance and functionality, we would like to give you some relevant information and care advice:-

#### General Care:

- Have upholstered items professionally cleaned when needed (we recommend around once per year)
- Place furniture out of direct sunlight to help prevent fading. Avoid placing furniture near fireplaces or radiators.
- Remove gum or wax by freezing it with a small plastic bag of ice until it hardens, then gently chip away. Repeat as necessary and blot with a damp, clean cloth to remove any stain left behind.
- Prevent spills from turning into stains by blotting them immediately with a clean dry cloth. Always blot from the outer edge of a spill inward to help avoid a stain ring from forming. Do not use water to remove oil-based stains.
- Use clear, cool water to help blot up resistant spills. Never use hot water, which tends to set stains.
- Use a soft clean cloth with a mild detergent to clean the leg frame.

#### Fabric Cleaning:

- Do not use cleaning solvents of any kind.
- Never let water saturate fabric or pool in seams.
- Brush pile fabrics lightly with a stiff bristle brush to remove minor stains and to regain original appearance. Do not rub or use excessive force when brushing.

#### Leather Cleaning:

- Dust is the enemy of leather upholstery, causing it to wear excessively and crack. Remove dust by wiping away with a dry cloth regularly and vacuum using the appropriate attachments. Do not use dust-cleaning products intended for wood furniture, which can damage leather.
- Some stains will blend into leather over time and become part of its patina.

We thank you for purchasing this product and wish you many years of enjoyable and functional use.

# Assembly Instructions

1

Using allen key B, insert bolts A into the leg frame and seat shell and fully tighten. Ensure that the holes are lined up and that the leg frame is the correct way around.
