

## CARE AND MAINTENANCE

- Work in sections from the top to the bottom of the shade, use long sweeping movements to remove the dust.
- Do not brush too vigorously to avoid snagging and damaging the petals.
- The FANDANGO HANGING LAMP product has a diffuser, use a soft cloth to wipe the inner surface of the diffuser.
- Petals can be dry-cleaned once in a while, after cleaning the petals a sprayable white glue can be applied to harden the petals still.
- PETAL decor can be change according to customers desire.

## DISASSEMBLING THE PETAL FRAME

## ARRANGING THE PETALS

- Fold the petal decor up and down according to customers desire.
- For convenience, refer to the photo inside for the petal decor

# FANDANGO

## HANGING LAMPS

Fandango captures the power and expression of a Flamenco dancer twirling in space. Petals of cotton fabric are shaped to diffuse light and portray the drama of dancing in the wind.
