LUNA A Desk Lamp

*in Satin Brass, Smoked
Bronze & Bianca Gioia*

Highlighting the beauty of blown glass, the LUNA A Series stands out by its simplicity and elegance.

An elegant mix of glass and stone, the LUNA A desk lamp is a table lamp that stands out by the softness of its shapes and lines. Available in black stone with smoked glass and in white stone with bronze glass, LUNA A Desk Lamp is controlled by an elegant inline dimmer.

All Gabriel Scott pieces are handmade in Canada.

LIGHT BULB

E12 2W 2700K

T20 LED Filament Bulb - T20 2W 200lm

Features:

- 360° of light
- 2) Using high brightness LED chips encapsulation for light
- 3) Source, light-emitting evenly.
- 4) Ra>90
- 5) Fast start, no stroboscopic, no flicker
- 6) Quiet and comfortable, no noise
- 7) Long life, less droop, life for 30000 h

Specifications:

- Input voltage: AC 220V
- Consumed power: 2W ±10%
- Frequency: 50/60HZ
- PF(power factor): 0.65
- Luminous efficiency: ≥90LM/W
- Ra: >90Ra
- Color temperature: 2200-2700K
- Surface temperature: <80°C
- Luminous flux: 200LM ±10%
- Average lifetime: 30000H
- Working environment temperature: - 20~+6°C5
- Storage temperature: - 20~+80°C
- Base: E12 Size: Φ20*57mm
- Net: 2g Material: Glass+Aluminum
- Name: T20 Beam angle: 360°
