

IMPORTANT

Safety, Warning and Suggestions

1. Qualified electrician is required to install this product/s.
2. Please read instructions carefully before installation.
3. All wiring and installations should meet local, state and national electrical codes.
4. Install correct lamp type and wattage.

Vaportite Flush Mount Light

1. **Prior to installation, disconnect power at main electrical box.**
2. Determine placement of mount over 4" Junction Box (C) and note location of Mounting Screw holes. Install Anchors (F) in ceiling.
2. Make wiring connections. Green grounding wire to green grounding wire (B), white to white (D), black to black (E) using UL approved wirenuts. Carefully push wires into 4" octagon junction box (C).
3. Attach Flush Mount Canopy (A) to ceiling directly to ceiling, by screwing Mounting Screws (G) into Anchors (F).
