

NICHE LIGHT

DESCRIPTION

The Niche Light is the perfect lamp to bring light to hard-to-reach places, whether under water, in a water feature, under stairs, stone walls, stone lanterns, or any small space. This omni-directional product solves the issue of fitting a fixture and a lamp into a small area. The Niche Light is wired with a 10ft lead and is ready to plug and play anywhere. We recommend using LightingShrink connections for Niche Lights. Dimmable with Brilliance Dimmer and most magnetic transformers.
