

Insert the G9 bulb and screw the glass cover into place.

## safety instruction

Lamp suitable only for indoor use. The electrical connections must be carried out by specialized personnel. If this electrical wire or cord is damaged, it should be replaced exclusively by the manufacturer, its technical team or someone with an equivalent qualification in order to avoid any risk. The manufacturer is not responsible for improper use of the product.

## product care

Powder coated  
Dust gently with a duster or soft cloth. Do not use commercial cleaners. A clean soft damp rag may also be used.

Recinto  
Use a feather duster, a clean cloth, or vacuum with a clean brush attachment, do not wipe wet.
