JOIN TABLE SMALL/ LARGE

Congratulations on your purchase of a SkLO Join Table.

When unpacking individual items and parts of the table, make sure to lay them out on a protective surface that will neither mar the delicate metal finishes nor scratch the glass. Gloves (nitrile) are provided and must be worn during installation to avoid fingerprints on the finish of the exposed metal parts.

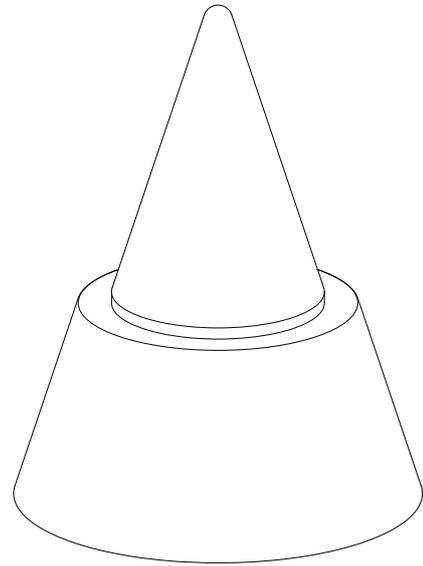

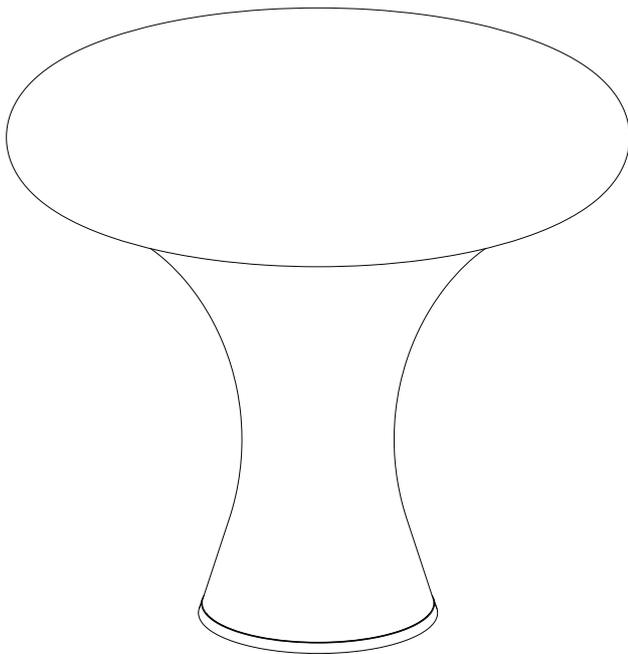

Your SkLO table will arrive with the hand-blown glass elements packed separately from the table base.

CONTENTS:

Glass
table top

Marble
base

1x

1x

1. Carefully place the glass tabletop on top of the marble base. Please handle the glass tabletop with care when placing it on the marble base to prevent scratching the marble or accidentally breaking the glass against the marble base due to improper handling.
