

# Topo Disc

18704 rA

Low Voltage Input

## CAUTION:

Before starting, turn off power at main circuit panel.

## ADVERTENCIA:

Antes de comenzar la instalación, apague la corriente en el tablero principal.

## ATTENTION:

Coupez l'alimentation avant de proceder à l'installation.

## Disc Small

Driver dimensions and location may vary, consult your order confirmation for details.

\* Fasteners not included

### Installation - Topo Disc Small

1. Connect Red (+) and Black (-) leads to low voltage leads from externally located driver.
2. Use appropriate fasteners to fasten the Module to the mounting surface.
3. Place Topo Disc Small or Topo Disc Medium over Module so gasket is facing the wall.
4. Thread Elliptical Glass Globe onto the Module to tightly secure all components.

## Disc Medium

Driver dimensions and location may vary, consult your order confirmation for details.

\* Fasteners not included

### Installation - Topo Disc Medium

1. Refer to previous steps.
2. Congratulations! End of guide.
