Vent Pendant Instructions

Product Code: VEN001BZ + VEN001A

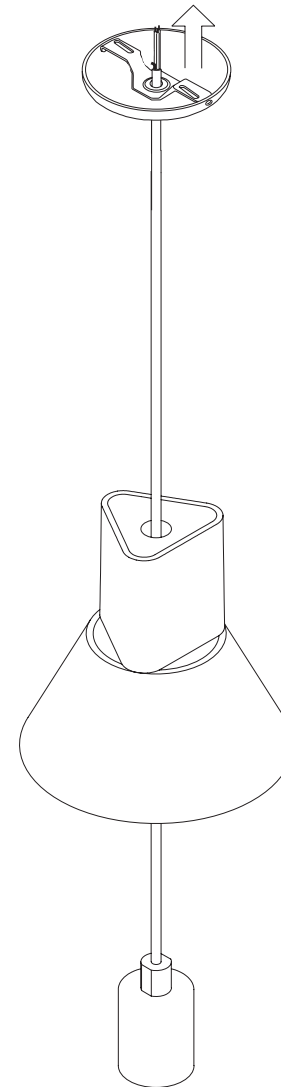

Warning. installation must be completed by a certified Electrician only.

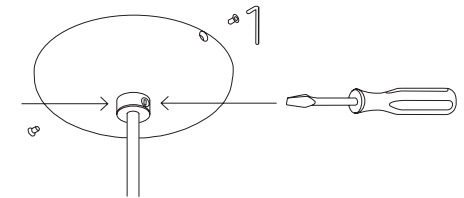

Assembly Kit Contents:

1x Vent Pendant Shade
1x Cable Clamp
2x Bracket Screws
2x Wood Screws
1x Allen Key
1x Ceiling Rose Bracket
1x Ceiling Rose
1x Light Bulb

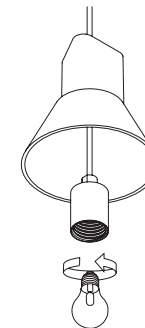

- 1 Thread cable up through the Vent Pendant shade. Continue threading the cable through the cable grip in the ceiling rose.
- 2 Lower the shade onto the bulb holder so that the top of the bulb holder is flush with the top of the shade.
- 3 Screw bracket into the ceiling using the wood screws provided. Connect electrical cables and earth to mains cable.

- 4 Attach the ceiling rose to bracket using the screws supplied. Tighten cable clamp on both sides with a flathead screwdriver.

- 5 Lift the shade to expose the bulb holder. Screw in light bulb.
