iGuzzini Whisper

Table lamp

Type:

Project :

Lightweight yet solid. Discreet yet elegant. Simple yet technological. Modern yet timeless. Multi-coloured yet with a green soul. Whisper combines differences, turning them into its strong point. Whisper is an aluminium table lamp and therefore solid, but with a stem that ensures momentum and lightness. Its design is essential and elegant, with a decorative ring to add a dash of preciousness. The lamp - with just a simple touch - turns on/off, dims and chooses the desired colour temperature (2200K; 2700K; 3000K). Cordless and rechargeable, Whisper can be adapted to be freely and easily moved indoors and outdoors. Developed around eco-design principles with recycled and recyclable materials that are easy to disassemble. Many finishes multiply the application and furnishing potential for living & hospitality. Design by iGuzzini.

Luminaire characteristic:	Power input: 2.2W (system wattage) Lumens: 230lm Luminaire efficacy: Up to 104lm/W
Source:	2200K and 3000K white LED (LM-80 tested) Pressure zone for colour temperature selection in pre-defined step: 2200K/2700K/3000K
Lumen maintenance:	70% of initial lumens at 50 000 hours (L70).
Optic:	Diffused light
Material:	Aluminum and thermoplastic
Electrical:	Pressure zone for ON-OFF function. Supplied with charging base, cable with USB port and integrated 3.7V 4400 mA rechargeable lithium battery. 9 h autonomy with 100% light flow. 6h total recharge time.
Dimming:	Pressure zone for light flow intensity adjustement.
Finish:	See options on page 2.
Weight:	2.56lb (1.17kg)
Warranty:	5 year limited warranty.
Ratings:	IP20, IP65
Certification:	Wet location

Photometric data

Visit iguzzini.com/us/ for complete photometric data.
