Tripod HM9

Hvidt & Mølgaard

1953

Please read these instructions carefully and retain them for future reference to ensure that the product is used correctly. For your own safety, please study each step of this instruction manual first. &Tradition is not responsible for any faults or damages caused by not following these instructions correctly. Do not modify this product in any way.

Contents

A Lamp

Tools needed

- Bulb type E14

Safety precautions

- Dispose of plastic bag from packaging and do not allow children to play with it.
- Keep product well out of children's reach.
- The lamp is only intended for interior use.
- Consult a professionally qualified electrician if in any doubt.
- Do not place the cable within reach of small children or anywhere with a risk of falling over it.
- If the external cable or cord of this lamp is damaged, it must be replaced by the manufacturer or a similar qualified person in order to avoid a hazard.

Cleaning instructions

- Wipe surface of the shade with a dry cloth.
- Do not use any abrasive cleaning tools such as steel wool, scouring sponges or stiff brushes.
- Never use strong cleaning agents such as white spirit, turpentine, household glass cleaner or cellulose thinners.

Step 1

The lamp is delivered fully assembled. Install the light bulb in the socket.

Step 2

Insert the plug in a wall socket and use the switch on the cord to turn the lamp on and off.

For indoor use only
E14 maximum 25W
Bulb not included
