

CTL8216T

Low Voltage Micro/Lyte™ **SlipStream Track Fixture with Vertical Ballast**

Type.			
71			

Catalog No._

Project _

Specifications/Features

Fixture

High-tech styling and durable die-cast construction. The SlipStream design offers front lamp replacement. Integral ON/OFF switch and track polarity indicator are standard.

(1) 50W MR16 Lamp (max), transformer included.

On fixtures designed for use with MR16 lamps, ConTech Lighting provides a clear, tempered safety glass. This safety glass should only be used with open MR16 lamps, and not used with MR16 lamps that contain an integral glass lens. This safety glass should be removed if use of MR16 with front glass is required.

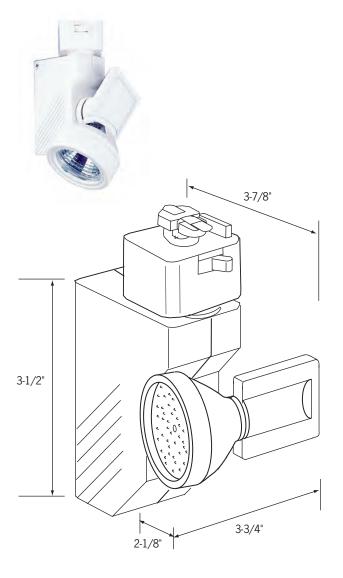

Warrantv

This fixture is covered by ConTech's full one (1) year replacement guarantee after date of purchase.

cULus listed. Suitable for dry locations.

Fixture Compatibility

Standard ConTech track fixtures are cCSAus Certified as-is for use with ConTech's many track systems, as well as with Juno®1 Lighting track. By changing the prefix in the part number, ConTech can install inserts which make our fixtures compatible with other manufacturers. Replace "CTL" with "HTL" for Halo®2 track, "LTL" for Lightolier®3 track, and "PTL" for Capri®4 track. For more information, please consult our factory.
