

Wireless Wall Switch

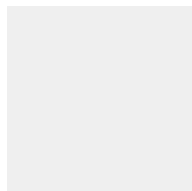

The Wireless Wall Switch provides the easiest way of dimming and full smooth dimming range. You have full control over your Mooodi lighting design with one touch! And best of all? There's no need to change your home's wiring, because it works with Bluetooth. The Wireless Wall Switch can be integrated with your existing wall switches, and it charges itself, so there's no need for electricity. Important! The Wireless Wall Switch is currently compatible with the NomNom Light, Starfall Light, Heracleum III family, Gravity Chandelier, Flock of Light 31, and Raimond II R43, R61, R89, Zafu, and Dome.

Detailing

No need to change your home's wiring, because the switch works with Bluetooth. With one simple touch you can enjoy a full smooth dimming range.
