

**3" Round LED Puck Lights (Plug in)****984201S | 1.0**

## VISUAL COMFORT &amp; CO.

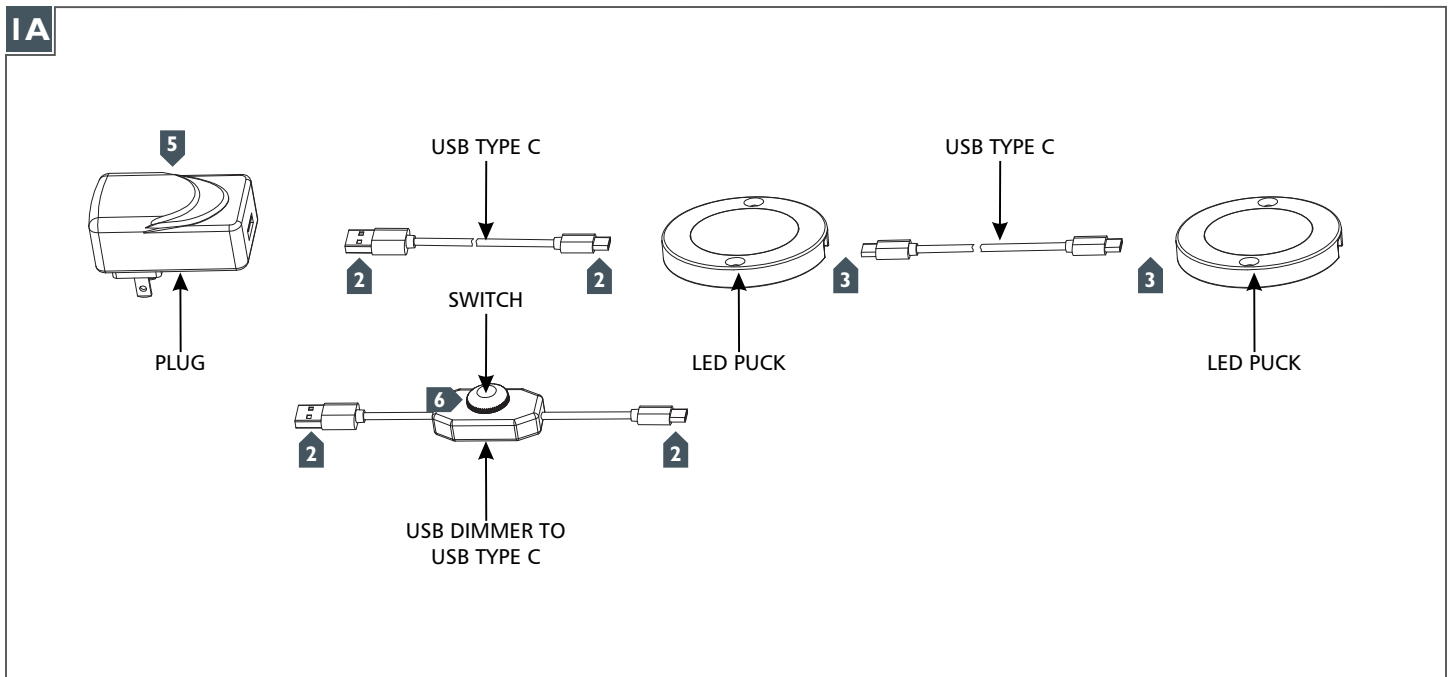

GENERATION COLLECTION

**GENERAL PRODUCT INFORMATION:**

This product is safety listed for dry locations only.

**SAVE THESE INSTRUCTIONS!**

This instruction shows a typical installation.

**Install the LED Puck**

- 1** Determine the length of the fixture run(s).
- 2** Connect a USB Type C Cable or USB Dimmer to USB Type C Cable to a Plug, then connect the other end of the cable to a LED Puck.
- 3** If connecting more LED Pucks, use a USB Type C Cable to connect from one LED Puck to the other. Repeat this step for additional LED Pucks being used in the same run. **NOTE: A maximum of 4 LED pucks per run. An additional plug will be required when the limit is exceeded for each run.**
- 4** Secure each LED Puck to the mounting surface using the provided screws (not shown).
- 5** Install the Plug to the outlet.
- 6** If using a dimmer, use the switch on the dimmer to adjust the light settings.
