5 FIXTURE SCREW
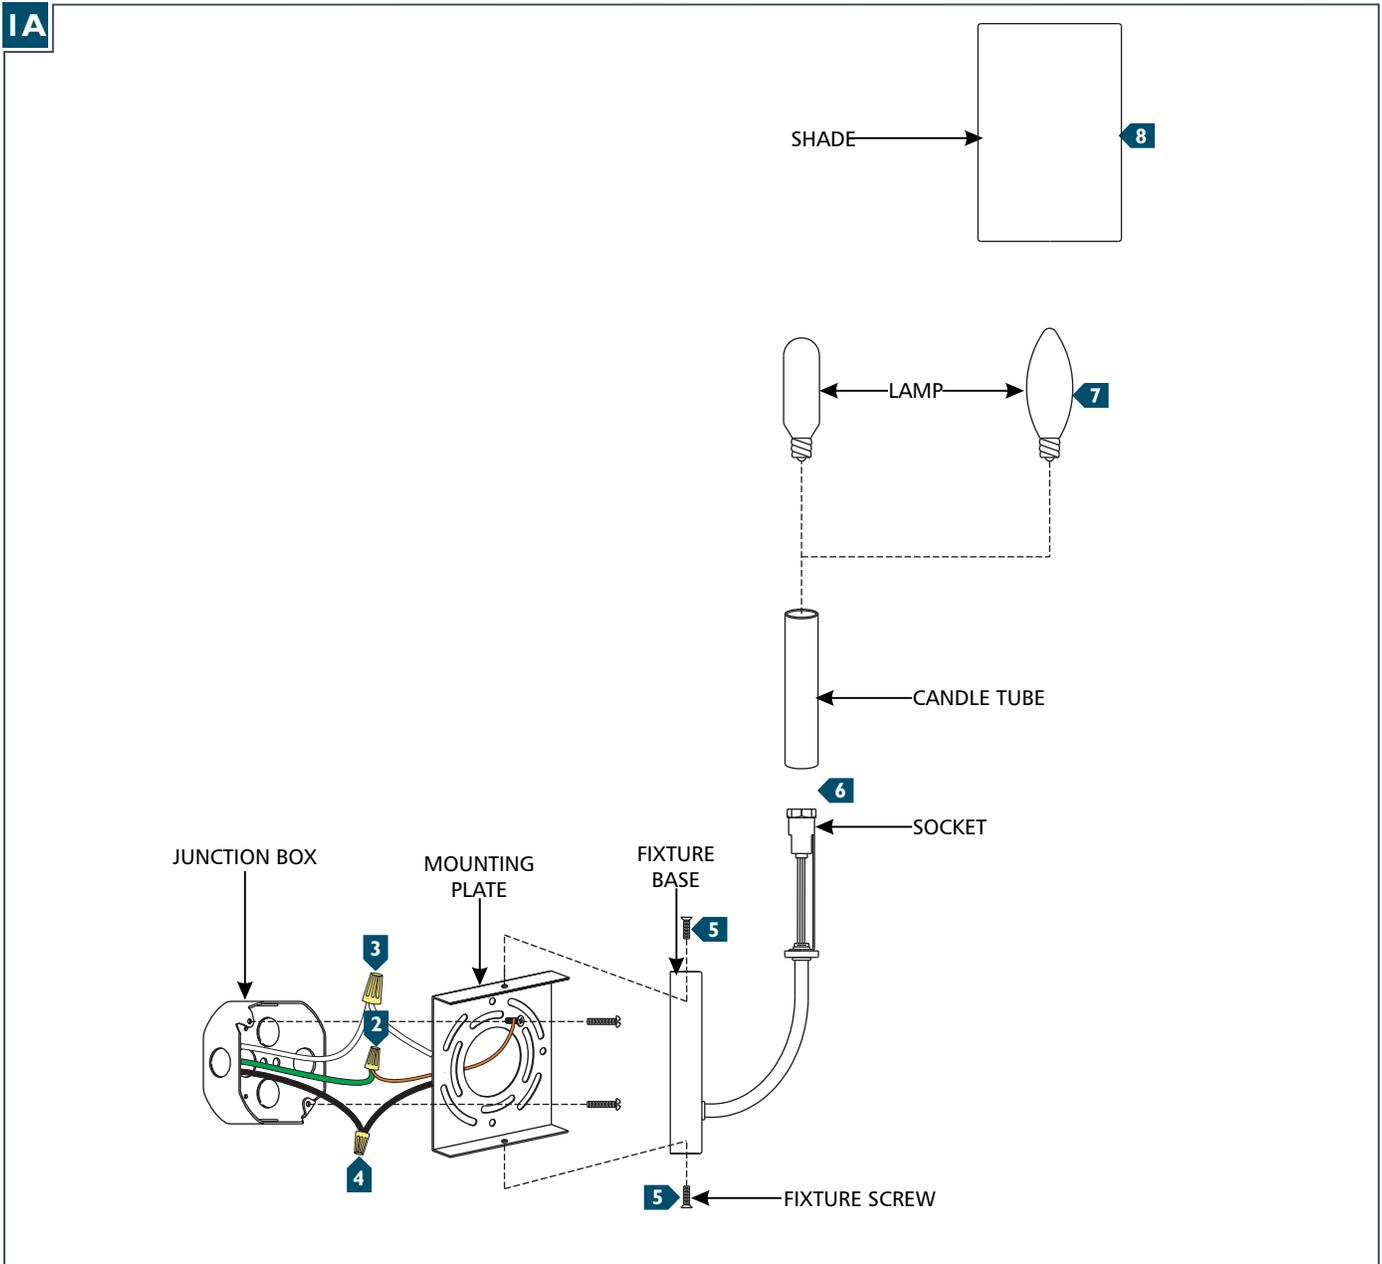

1 Secure the mounting plate to the junction box or wall.

2 Connect the fixture to a suitable ground in accordance with local electrical codes.

3 Connect the white fixture wire to the neutral power line wire with a wire nut.

4 Connect the black fixture wire to the hot power line wire with a wire nut.

5 Neatly place the wires into the junction box, place the fixture onto the mounting plate, and secure it in place using the fixture screws

6 Install the candle tube by sliding it over the socket.

7 Screw the lamp into the socket. Refer to the label on the socket for Max Wattage Information.

8 **Optional: If installing the shade, place it over the lamp.**
