PENDANT

OAK KNUCKLE

110-120V | LUMINAIRE CLASS II | MAX 60W

A knuckle of pure American oak ensconced with solid brass trimming. This beautiful hardwood pendant is brimming with character and durability, making for a fixture that is built to last. It has been designed to celebrate its constituent materials with a unique, elegant form. The knuckle pendant is built to complement a variety of bulb designs and looks great alone or in clusters. Our 3-metre black threaded cord has been crafted with special silicon to help avoid any kinking.
