# **Kulma Small and Large Outdoor Wall**

7000WKLM\_

**OUTDOOR** 

#### **GENERAL PRODUCT INFORMATION:**

These fixtures are intended to be installed utilizing NEC compliant junction boxes.

Use approximate 2x4 single gang junction box mounted horizontally only or provided universal mounting/goof plate to completely cover the junction box.

This product is suitable for wet locations.

Dimmable with most LED compatible ELV, TRIAC and 0-10V dimmers.

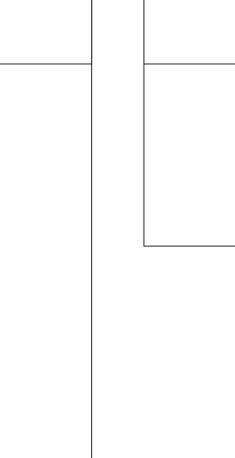

This instruction shows a typical installation.

### **CAUTION - RISK OF FIRE**

This product must be installed in accordance with the applicable installation code by a person familiar with the construction and operation of the product and the hazards involved.

Use minimum 90°C supply conductors.

## Install the Fixture

- 1 Connect the white input driver wire to the neutral power line with a wire nut.
- 2 Connect the black input driver wire to the hot power line with a wire nut.
- Properly place the driver and wire nut connections into the junction box. If using a standard junction box, install mounting plate to it with the two #8-32 screws provided. If using a 2"X4" junction box, make sure the 2"X4" junction box is mounted horizontally, then secure both the goof plate and mounting plate to it with the two #8-32 screws provided. Leave the driver negative (-) and positive (+) driver output wires available.
- 4 Connect the fixture to a suitable ground in accordance with local electrical codes.
- 5 Connect the black negative (-) fixture wire to the black negative (-) driver output wire with a wire nut.
- 6 Connect the red positive (+) fixture wire to the red positive (+) driver output wire with a wire nut.
- Tuck the wires into the junction box/fixture base, mount the fixture base onto the mounting plate, and secure it in place using the set screws with the provided Allen wrench.
- 8 Install the diffuser to the fixture and secure it in place with the Allen screws using the provided Allen wrench.
- **For Wet Locations,** caulk around the fixture base with waterproof construction sealant.
