## Wall MonoRail FreeJack Connector

DESCRIPTION
Adapts almost any FreeJack head to Tech Lighting's Wall MonoRail system (see element for details). For Wall MonoRail only.

INSTALLATION
Two-piece connector unscrews to install around Wall MonoRail; FreeJack male connector fits into bottom and twists to tighten.

OTHER
For use with most FreeJack heads (sold separately). Note: Wall MonoRail FreeJack Connectors are included with all WMO-prefixed FreeJack heads; order additional if required by layout.

WEIGHT
0.01lb / 0kg ±
