SAVE THESE INSTRUCTIONS!

Install the Fixture

1A

CAUTION: To reduce the risk of a burn or electric shock during re-lamping, disconnect the power to the fixture.

- 1** Screw the lamp into the socket. Refer to the label on the socket for Max Wattage Information.
- 2** Feed the fixture cord through the upper cover and knurled knob, then place the upper cover over the lower cover, and secure in place by screwing the knurled knob into the frame.
- 3** Follow the instructions included with the canopy to complete installation.
- 4** **Replacing the Lamp:**
 - Unscrew the knurled knob from the frame, then carefully raise the upper cover to gain access to the socket.
 - Remove the old lamp and replace with new one.
 - Reinstall the upper cover and knurled knob.
