

BAU ACCENT TABLE LAMP

SLTB142

General Product Information:

IMPORTANT SAFETY INSTRUCTIONS

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not attempt to defeat this safety feature.

SAVE THESE INSTRUCTIONS!

Turn off electrical current at the source before working with any lighting fixture or portable lamp.

Install and use this product in adherence with local electrical codes and regulations.

INSTRUCTIONS

1. Remove the fully assembled fixture from the packaging.
2. Remove the protective cover from the plug and plug the fixture into an electrical outlet.
3. Use the touch dimmer switch to turn the lamp on and off, or to change the brightness.
