

# WIREFRAME ATOM DISC

LED PENDANT

REV 09.06.19

## DESCRIPTION

The Wireframe LED Atom Disc Pendant by Modern Lighting is an elegant design with a playful appeal. The pliable WireFrame shade can be assembled into 3 distinct patterns all of which give the fixture a unique look; Straight, Crosshatched and Spiral. The dimmable 3000K LEDs provide omni-directional illumination. Dimmable with ELV dimmer (sold separately).

## FINISH

Black
