## Lotus Pendant

By MacMaster

### Description

The Lotus pendant is an elegant pendant that appears almost delicate and weightless. The pared-back design makes use of the horizontal space creating a flatter form with soft and sweeping curves. Especially suited for lower ceiling environments, but can be equally striking when suspended from a double height ceiling in a cluster. Available in Oak or Walnut finish in a small or large pendant version. Small is 21.2 inch diameter x 5.5 inches high and requires one 15 watt 120 volt medium base fluorescent lamp not included. Large is 27.5 inch diameter x 7.1 inches high and requires one 24 watt 120 volt medium base fluorescent lamp not included.
