Tropicale Wall Sconce By Corbett Lighting

Description

The Tropicale Wall Sconce features intricate fronds, fittingly crafted of vintage gold leaf, and are delicately layered just as they are in nature. The gold leaf is gorgeously illuminated from a light source at the center while the detailed divisions on the individual leaves allow light to pass through cleanly; the overall lighting effect is simply stunning. Tropicale will bring a gorgeous organic feel to any space.

Shown in gold leaf
