## Side By Side Wall Sconce By Astro Lighting

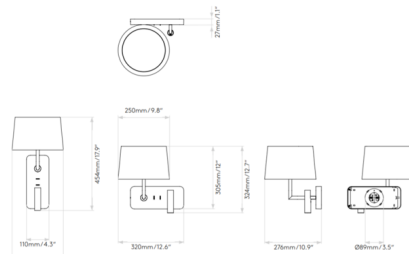

### Description

The Side By Side Wall Sconce features a clean and simple design with a rectangular backplate that features an LED spot light and can be mounted so that the spot light is on the side or below the main light. Note: One 3.2 watt non-dimmable LED module for spot light is included (24.4 degree beam angle, 126 lumens). Independent on/off switches on backplate for LED spotlight and wall sconce.

Shown in matte nickel / black
