## Ophelia Loveseat By Global Views

### Description

The Ophelia Loveseat has an elegant and sophisticated design that boasts graceful curves and soft lines. The piece rests softly on a white oak base, set apart from the expertly tailored 100% cotton velvet frame by an inset bronze reveal. The cantilevered seat offers a remarkable and deceptively comfortable perch. The rear of the sofa is gently rounded, making this piece a stand-out either against a wall or floated in a space.
