## Spindle Wing Chair

By Global Views

### Description

The Spindle Wing Chair takes a cue from understated, yet meticulously well-designed Shaker style furniture, and offers an updated twist on a classic silhouette. Crafted of soft-grey beechwood, a spindle back frame curves gently around the back of the chair and into the arms, while the legs continue the elegant curves to the floor. A generously sized cushion gives the chair an added element of comfort. Available in beige or grey top-grain leather.
