Lily Pad Clusters

By Global Views

Description

The Lily Pad Clusters are incredibly detailed with delicately perforations that allow only small amounts of light to pass through. A set of three includes one large (9 inch), one medium (6 inch) and one small (4.5 inch) leaf complete with a mounting mechanism for each leaf. Use several clusters to create a multi-dimensional floral wall. Make Monet proud. Available in Antique Brass and Antique Nickel finishes.

Shown in antique brass
