Fusion Square Lighted Mirror

By Electric Mirror

Description

The Fusion Square Lighted Mirror is designed to maximize direct illumination. Ideal for precision tasks such as makeup application and shaving. White powder coated chassis for finished side view. Corrosion resistant OmegaMirror glass. Choice of standard forward phase control or with Ava dimming. Ava Smart Look technology features tunable white LED lights that allow you to select the color temperature. Select between 6500K for a day of outdoor activities, 4600K for your daily routine, or 2700K for a night out on the town. Tap to Cycle through 2700K, 4600K, 6500K, Night Glow and Off. At every level, hold to dim down to 10%. After one hour of non-use, Energy Save Mode automatically dims lights to 10%. Note: The Fusion mirror must be installed in the W x H (width x height) orientation as listed; it cannot be installed in any other direction.
