

**BRAND**

Lasvit

**DESCRIPTION**

The Volcano Pendant reflects the elemental power of fire through its artisan blown-glass. The texture that covers the Volcano resembles the landscape around volcanoes where lava cools down and hardens. Once illuminated, the pendant shines with sculptural vibrance that brings contemporary appeal. Place the Volcano over the dining table to elevate your interior's ambience. Shade available in Clear with a White canopy or Smoke with a Black canopy. UL listed. Made in the Czech Republic.
