## Panthella 320 Table Lamp

By Louis Poulsen

### Description

The Panthella 320 Table Lamp blends midcentury design with a contemporary appeal to create a lamp that emits a glare-free, soft and comfortable illumination. Rising from the trumpet shaped aluminum stem is a shallow opal acrylic dome shade that directs light downwards. The clean lines and brilliant finishes of the Panthella seamlessly fit into a number of interior decors. On/off switch located on the cord. Note: White and Brass finishes include a white cord; all other finishes include a black cord.
