Ersa Conical Chandelier

By Brand Van Egmond

Description

The Ersa Conical Chandelier, named for the Greek Goddess of dew, draws inspiration from nature's dew drops formed throughout the night and glistening in the first rays of light. This sculptural masterpiece brings organic shaped glass and sinewy branches of metal to your space. Available in three sizes. Each fixture is a unique, hand crafted piece, and comes with a certificate of authenticity. NOTE - All sizes require a special rated junction box for fixtures weighing over 50 pounds.
