## In Vitro Outdoor Pendant

By FLOS

### Description

Create a captivating focal point in your outdoor living areas with the Flos In Vitro Outdoor Pendant, an elegant fixture that masterfully modernizes the classic lantern. This contemporary design seamlessly integrates sophisticated craftsmanship and cutting-edge technology, delivering a magical and inviting glow to any al fresco setting. A discreetly concealed LED light source appears to miraculously illuminate, warmly emanating through its slender, transparent glass dome shade, creating a truly atmospheric presence over outdoor dining tables or seating areas. The In Vitro Pendant is available in a versatile palette of finishes, offering perfect coordination with your exterior decor. Customization for ambiance is key, with choices for Non-Dimmable or 0-10V dimming options, and a selection of either a crisp 3000K or a warmer 2700K light color temperature. This pendant is designed to bring sophisticated, artful illumination to your outdoor experience, blending seamlessly with the natural environment while providing exceptional light.
