DESCRIPTION

The In Vitro Pendant is an elegant option for outdoor lighting that modernizes the classic lantern into a contemporary structure blending craftsmanship and technology into a new design. A concealed LED light source is magically lit and warmly emanates through the slim glass dome shade creating an atmospheric glow. Available with a White, Anthracite, Black, Deep Brown, Forest Green, Terracotta, or Pale Green finish. Non-Dimmable or 0-10V dimming options available, as well as a choice of 3000K or 2700K light color temperature.
