La Plus Belle Lighted Mirror By FLOS

Description

Experience the fusion of artistry and innovation with the Flos La Plus Belle Lighted Mirror, a captivating piece that transcends traditional mirrors to become a luminous design statement. This mirror features incorporated light sources that are seamlessly integrated into its structure, providing a beautiful, even illumination. Control over this radiant glow is effortless, managed through an intuitive optical sensor discreetly fitted directly to the mirror. The elegant aluminum frame is available in a selection of luxurious finishes, allowing you to perfectly match your interior aesthetic. For versatile installation, the La Plus Belle is offered in both a Hardwire or a convenient Plug-In version, with the Plug-In option generously providing 13 feet of cord for flexible placement. This lighted mirror is not merely a reflection of your space, but a source of captivating light that adds depth, glamour, and functionality to bathrooms, dressing areas, or entryways.
