Light Three Linear Pendant By John Beck Steel

Description

Light Three Pendant blends sleek minimalism with industrial styling. The body is crafted of durable steel, with an integrated LED module that runs the length of the fixture. A frosted acrylic diffuser softens the light and reduces glare. Perfect for commercial and residential projects. Included canopy is a white finish. Canopy Options: End Feed Canopy- combined power cord and support cord on one end, with support cable on opposite end. 2-Point Center Canopy- support cables on both ends; separate power cable with center canopy.
