

BRAND

Archilume

DESCRIPTION

The LED Linear Multi-Light Pendant provides a clean layer of flattering illumination with this linear pendant configuration. Archilume P6L, P8L, and P11L hide a visionary development in the use of energy-saving LEDs. The light source itself is not visible, each acrylic diffuser spreads pleasant, warm and elegant lighting that instantly enhances the space it resides in. This dimmable luminaire is ideal for creating feature accent lighting above kitchen islands and dining areas. Available with six, eight, or eleven pendants. Choice of 2700K or 3000K color temperature. Anodized Aluminum pendant finish with Clear or Satin diffuse lens optic. Integral LED driver in canopy.
