Sirius Pendant By WAC Lighting

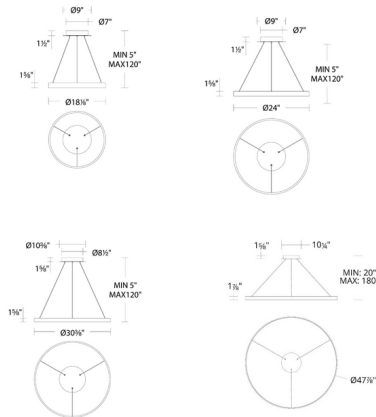

Description

A halo of illumination, the Sirius Pendant makes a dramatic impact in any residential, commercial, or hospitality setting. Its sleek aluminum ring is lit along the top and bottom edges with LEDs glowing through silicone diffusers, casting an uplight and downlight throughout your space. The fixture hangs on slim electrified cables that eliminate the need for chunky power cords, enhancing the minimal aesthetic. Dimmable with a TRIAC or ELV dimmer, sold separately.

Shown in black / white
