Unica Solid Walnut Escritorio Desk

By Nomon

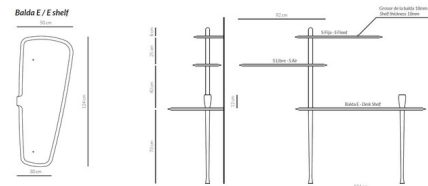

Description

The contemporary Unica Solid Walnut Escritorio Desk features a simple form with maximum impact. The minimal, airy design consists of a desk surface and two compact shelves, one fixed to the wall and another that floats and can rotate right or left. Beveled top and underside edges give the shelf and desk surface a refined touch, and a built-in pen cup ensures that your go-to pens and pencils are always at hand. Assembly required.
