Pipeline 2-Circuit Suspension Track w/Uplight/Remote Power By PureEdge Lighting

Description

The Pipeline 2-Circuit Suspension Track with Uplight is a linear fixture with an integrated LED up light and is designed for use with Pure Edge T24 track heads, sold separately. Available in Black or White finish. Custom-tailor the Pipeline 2-Circuit Suspension to any space instantly by adding track heads anywhere along the bottom of the suspension. The uplight creates a clean, uninterrupted indirect beam of light and features a diffused white lens with a 176 degree beam spread. Includes 12 foot adjustable coaxial cables and a 4.6 inch round canopy. Note: The uplight and track heads can be powered independently with their own 24VDC remote Universal (UNI) power supply. Universal dimming (TRIAC, ELV, 0-10V). Required power supply, track heads, optional accessories and dimmer sold separately.
