Malvasia Pendant By Fabbian

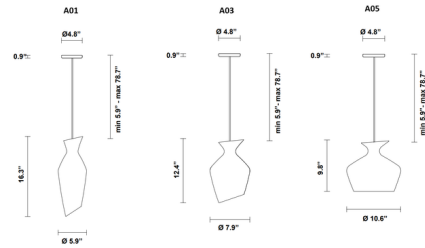

Description

The Malvasia collection speaks of the land, of tradition, vineyards, and sun-soaked hillsides. With its elegant shape, at times resembling a wine glass, other a decanter, it creates a welcoming, hospitable environment. The quiet harmony of rounded shapes and oblique edges, the grace of the blown glass, and the warmth of Beechwood give this collection of lamps an exceptionally affable personalityan homage to Bacchus and to anyone who loves good wine and good company.
