Kinsley Pendant

By Golden Lighting

DAMP

Description

Kinsley has a rustic, vintage appeal that is perfect for homes with eclectic or farmhouse decor. The Aged Galvanized Steel frame balances the numerous antique shade color options offered in this collection. The hand-painted series has a distressed, weathered look. The pendants are large enough to hang over small dining room tables, over kitchen countertops, and in living rooms. Hang the fixtures alone or group together for a charming look.

Shown in aged galvanized steel / antique black iron
