Quarry Pendant

By Golden Lighting

Description

Quarry was designed for industrial and farmhouse decors. Black with hints of gold, this two-tone fixture commands attention while complementing most color schemes. The authentic industrial components and simple accents create a casual, modern look that pays homage to the classics. The heft of the metal shade and the details of the vintage-inspired top cap speak to the quality of the design. This pendant may be mounted as a single accent or hung in a group.
