Winslett Kitchen Island Linear Pendant By Golden Lighting

Description

The Winslett collection is versatile and transitional in style. Classic silhouettes are perfectly matched with clean, modern lines for a mixture of form and function. Bright bulbs shine within ribbed clear glass shades. The linear texture, made by a glass-blowing technique, creates the optical illusion of distortion. The vertical lines in the glass provide gentle diffusion while playfully refracting light. This linear pendant provides soft task lighting, fully illuminating a kitchen bar or countertop.
