## Zoey Pendant By Golden Lighting

### Description

The Zoey Collection is proof that simple can be beautiful. This elegantly utilitarian series has the chic versatility to enhance the style of a variety of spaces. The smooth lines of this minimalist design pair well with transitional to modern decors. The cleanness of the contemporary look gives the fixtures a slightly industrial feel. The color of the shade's interior consistently matches the shade's exterior finish. The silhouette of the metal shade is a modern update to the classic dome shape. This large pendant will provide bright light when grouped over a kitchen island or hung individually over a breakfast table.
