# Zoey Mini Pendant

By Golden Lighting

DAMP

## Description

The Zoey Collection is proof that simple can be beautiful. This elegantly utilitarian series has the chic versatility to enhance the style of a variety of spaces. The smooth lines of this minimalist design pair well with transitional to modern decors. The cleanness of the contemporary look gives the fixtures a slightly industrial feel. The color of the shade's interior consistently matches the shade's exterior finish. The silhouette of the metal shade is a modern update to the classic dome shape. This small pendant can be hung alone or arrayed in a group.
