Celene Table Lamp

By John-Richard

Description

The Celene Table Lamp features a Clear selenite orb on a Crystal cube base. Includes a White Organza shade with an inner layer of Grey man-made silk. UL listed. Available with an on/off switch on cord. Note: imperfections such as other mineral deposits may appear as colored sections or varying crystalline structure. This is expected and embraced as part of the fixture's natural beauty. Note: Sections of the selenite crystal may separate; they can be reattached with a clear adhesive.
