## Pulmeria Table Lamp

By John-Richard

### Description

The Pulmeria Table Lamp brings a hint of the outdoors to your room. Intricately carved leaf make up the body. Topped with around linen shade. Three way switch is located on the lamp socket. This item is made by hand using artisanal primitive bending and welding techniques. The imperfections in the seams and body are reflections of the piece's handmade nature and are part of its innate beauty. No two will be identical.

Shown in brass / white
